EXPERIENCE

Human Survival Project - Motion Design Intern (Remote)

2023-Present

- Collaborated with a visual art team of motion designers and video editors to create 2d and 3d VFX, 3d camera shots, and text animation.
- Communicated closely with coordinators and organization director to create a logo and 2d logo animation.
- Coordinated the visual arts team with storyboards, mood boards, and project management tools to create a structured timeline for an opening sequence.

Freelance Motion Designer - Music and Promo

2023

- Worked closely with artist clients to create hybrid Spotify visualizers in Adobe After Effects.
- Communicated efficiently with the client to establish a creative direction and style that fit the artist's brand.
- Built a timeline suited for the artist's release dates.

Fast Signs - Graphic Designer/Installation

2024

- Handled client-based logos and design work inside Adobe Illustrator and Photoshop
- Prepared and Installed designs in coordination with the Fast Signs team.
